|                                  |                                     |                                     |
|                                  |                                     |                                     |
|                                  |                                     |                                     |
|                                  |                                     |                                     |
|                                  |                                     |                                     |
|                                  |                                     |                                     |
|                                  |                                     |                                     |

1) The relationship Jesus had with his Father, is the relationship Jesus wants with Us. 2) Believers and Non-believers were both church members of the day.
