

The Question

There is one question I would like answered by our worldwide church, our local churches and our members. It is simple; but it is not an easy question.

What does a finished work look like to God?

With our worldwide membership, and all the various situations and needs around the world, it is the question.

The Bible says in John 16:13, "Howbeit when He, the Spirit of Truth, is come, He will guide you into all truth: for He shall not speak of himself; but whatsoever he shall hear, that shall He speak: and he will shew you things to come."

The passage and the following verses assure us that God will let us in on what is to come. So why not ask God to help us know what He is doing to finish this work?

"What does a finished work look like to God?" Will you join me in seeking an answer for our world church, for our local churches, and for us personally?
